

KANSAS DEPARTMENT OF HEALTH AND ENVIRONMENT
Board of Adult Care Home Administrators

**Formal Education Requirements
for
Kansas Adult Care Home Administrator License**

Adult care home administrators were licensed in Kansas beginning July 1, 1970. The educational requirements for qualification for licensure were prescribed by Rules and Regulations for Licensure of Adult Care Home Administrators. These requirements were effective as follows:

- July 1, 1970 -**
1. High school diploma or equivalent (GED).
 2. National Test - PES - Score: Standard Deviation
- July 1, 1980 -**
1. 60 college credit semester hours from an accredited college or university or substitute one year of board approved practical experience as an administrative assistant, director of nursing services, or administrative trainee in long-term care facility for 20 college credits, or
 2. hold an associate, baccalaureate, or master's degree from an accredited college or university in nursing home administration or equivalent in a related health care field.
 3. National Test
PES until December 31, 1982 - Score: 105 or 70%
NAB beginning January 1, 1983 - Score: 105 or 70%
- May 1, 1984 -**
1. 60 college credit semester hours from an accredited college or university, or
 2. hold an associate, baccalaureate, or master's degree from an accredited college or university in nursing home administration or equivalent in a related health care field.
 3. National Test - NAB - Score: 105 or 70%
- July 1, 1990 -**
1. A baccalaureate or higher degree from an accredited college or university and a 480 clock hour long-term care administration practicum approved by an accredited college or university.
 2. National Test - NAB - Score: 113 or 75%
- May 10, 1993 -**
1. A baccalaureate or higher degree from an accredited college or university and a 480 clock hour long-term care administration practicum approved by an accredited college or university.
 2. National Test - NAB - Scaled Score: 113

The Professional Examination Service (PES) test, a nationally recognized licensing test, was given to the candidates for licensure from July 1, 1970 through December 1982. The National Association of Board of Examiners for Adult Care Home Administrators (NAB) test was used beginning January 1983.
